

Theres No Way
Lauv

[Intro]

G D A D/F#

[Verse 1]

G **D**
You touch me and it s almost like we knew
A **D/F#**
That there will be history between us two
G **D**
We knew someday we would have regrets
A **D/F#**
But we just ignored them the night we met
G **D**
We just danced backwards into each other
A **D/F#**
Trying to keep our feelings secretly covered
G **D**
You touched me and it s almost like we knew
A **D/F#**
That there would be history

[Chorus]

G **D**
There s no way that it s not going there
A **D/F#**
With the way that we re looking at each other
G **D**
There s no way that it s not going there
A **D/F#**
Every second with you I want another
G **D**
But maybe we can hold on one sec
A **D/F#**
So we could keep this tension in check
G **D**
But there s no way that it s not going there
A **D/F#**
With the way that we re looking at each other

[Verse 2]

G **D**
I wish I could make the time stop
A **D/F#**
So we could forget everything and everyone

G **D**
I wish that the time would line up
A **D/F#**
So we could just give in to what we want
G **D**
Cause when I got somebody, you don't
A **D/F#**
And when you got somebody, I don't
G **D**
I wish that the time would line up
A
So we could just give in

[Chorus]

G **D**
There's no way that it's not going there

(It's not going, it's not going there)
A **D/F#**
With the way that we're looking at each other
G **D**
There's no way that it's not going there

(It's not going, it's not going there)
A **D/F#**
Every second with you I want another
G **D**
But maybe we can hold on one sec
A **D/F#**
So we can keep this tension in check
G **D**
But there's no way that it's not going there

(It's not going, it's not going there)
A **D/F#**
With the way that we're looking at each other

[Bridge]

G **D**
We just danced backwards into each other
A **D/F#**
Trying to keep our feelings secretly covered
G **D**
We just danced backwards into each other

(We just keep on dancing right into each other)
A **D/F#**
Trying to keep our feelings secretly covered
G **D**
You touched me and it's almost like we knew
A

That there would be history

[Chorus]

There s no way that it s not going there

(It s not going, it s not going there)

With the way that we re looking at each other

There s no way that it s not going there

(It s not going, it s not going there)

Every second with you I want another

But maybe we can hold on one sec

So we can keep this tension in check

But there s no way that it s not going there

(It s not going, it s not going there)

With the way that we re looking at each other

[Outro]

We just keep on dancin right into each other

We just keep on dancin right into each other
