# Standing In The Dark Lawson

[Intro]

F# G#m B F#

[Verse 1]

## F#

Sitting here wide awake
Thinking about when I last saw you

G#m

Know you re not far away
Close my eyes and I still see you
R

Lying here next to me

F#

Wearing nothing but a smile

## F#

Gotta leave right away
Counting cracks along the pavement

To see you face to face
Thinking about the conversation

I know I m not one to chase

F#

I ve never wanted nothing more

G#m B

As I walk up to your door

[Chorus]

### F#

Im standing in the dark
She s dancing on the table

#### Bbm

I m looking through the glass  $\operatorname{She}$  s someone else s angel

в

It may sound stupid that I wanted you back  $\mathbf{F}^{\#}$ 

But I wanted you back, girl

F#

And now I m standing in the dark, dark, oh Dark, dark, oh

```
G#m
Dark, dark, oh
                           F#
Dark, dark, ohh, oohh
[Verse 2]
F#
All I want to do is hide
But I can t stop myself from staring
G#m
Wishing his hands were mine
I can t stop myself from caring
And as he turns down the lights
I'm feeling paralysed
                          G#m
And as he looks into her eyes
Oohh, yeah, alright
[Chorus]
F#
Im standing in the dark
She s dancing on the table
I m looking through the glass
She s someone else s angel
It may sound stupid that I wanted you back
       F#
But I wanted you back, girl
                              F#
And now I m standing in the dark, dark, oh
Dark, dark, oh
G#m
Dark, dark, oh
                           F#
                  В
Dark, dark, ohh, oohh
F#
Im standing in the dark
She s dancing on the table
Bbm
I m looking through the glass
She s someone else s angel
It may sound stupid that I wanted you back
       F#
```

But I wanted you back, girl

F#

And now I  $\mbox{m}$  standing in the dark, dark, oh Dark, dark, oh

G#m

Dark, dark, oh

B F#

Dark, dark, ohh, oohh

[Outro]

F#

And now  $\operatorname{Im}$  standing in the daaaa-aaark
