

When She Was Mine

Lawson

Tabbed by: Jason Graystone (West Sussex, Uk)

I saw this on you tube when Lawson played a live set on BBC radio. Very Easy to learn and play.

CHORDS TO USE

A7sus4 = 300230
D = 000232
E7sus4 = 020230
Asus4 = 002230

The intro is just using the strumming pattern throughout the song but using the 6th and 7th fret on the G string. Listen to the song and you will hear the pattern.

This is 100 % the right way to play it but listen to the song for the rhythm etc.

Enjoy....
