Play everything with Powerchords. Similary to **A5** chords or sth like that.

Vers:

**Cm ; A ; Cm ; A ; Cm ; A ;
; G#**

Chorus:

**E ; B5 ; Cm ; A ; F# ; E ;
; G#** (Repeat and add a **A** at the end of the 2nd time)

Thats Basicly the whole song. You ll figure out when to play the chords. Just listen to song. Its very easy.
