E   **Eb/B**

I can t get to sleep

D   **C#/A**

I think about the implications

Of diving in too deep

And possibly the complications

Especially at night

I worry over situations

I know will be alright

Perahaps its just my imagination

C#m   **B**

Day after day it reappears

C#m   **B**

Night after night my heartbeat, shows the fear

C#m   **B**   **G#** **A**

Ghosts appear and fade away

Alone between the sheets

Only brings exasperation

It s time to walk the streets

Smell the desperation

At least there s pretty lights

And though there s little variation

It nullifies the night

>From overkill

Day after day it reappears

Night after night my heartbeat, shows the fear

Ghosts appear and fade away

I can t get to sleep

I think about the implications

Of diving in too deep

And possibly the complications

Especially at night

I worry over situations

I know will be alright

It s just overkill

Day after day it reappears

Night after night my heartbeat, shows the fear

Ghosts appear and fade away
