The Journey  
by: Lea Salonga

Capo 3

[Intro:] C G C-D G

[Verse]

G C  
Half the world is sleeping  
G C B  
Half the world s awake  
Em C  
Half can hear their hearts beat  
Am D  
Half just hear them break  
G C  
I am but a traveler  
G C B  
In most every way  
Em C Am D  
Ask me what you want to know

[Chorus]

C D G  
What a journey it has been  
C D G  
And the end is not in sight  
C D G  
But the stars are out tonight  
C D G  
And they re bound to guide my way  
C D G  
When they re shining on my life  
C D G  
I can see a better day  
C D G  
I won t let the darkness in  
C D G  
What a journey it has been

[Verse]

G C  
I have been to sorrow

**G**                    **C**    **B**  
I have been to bliss  
**Em**                    **C**  
Where I ll be tomorrow  
**Am**                    **D**  
I can only guess  
**G**                                    **C**  
Through the darkest desert  
**G**                                    **C**  
Through the deepest snow  
**Em**                                    **C**                    **Am**    **D**  
Forward, always forward I go

[Chorus]

**C**            **D**            **G**  
What a journey it has been  
                  **C**            **D**            **G**  
And the end is not in sight  
                  **C**                    **D**    **G**  
But the stars are out tonight  
                  **C**                    **D**            **G**  
And they re bound to guide my way  
                  **C**                    **D**            **G**  
When they re shining on my life  
                  **C**            **D**            **G**  
I can see a better day  
                  **C**                    **D**            **G**  
I won t let the darkness in  
                  **C**                    **D**            **G**  
What a journey it has been

[Bridge]

**Em**                                    **Bm**  
Forward always forward  
**Am**                                    **D**    **B**  
Onward always up  
**Em**    **Bm**  
Catching every drop of hope  
**Am**                                    **D**  
In my empty cup

[Chorus]

**C**            **D**            **G**  
What a journey it has been  
                  **C**            **D**            **G**  
And the end is not in sight  
                  **C**                    **D**    **G**  
But the stars are out tonight  
                  **C**                    **D**            **G**  
And they re bound to guide my way

**C**          **D**          **G**  
When they re shining on my life

**C**          **D**          **G**  
I can see a better day

**C**          **D**          **G**  
I won t let the darkness in

**C**          **D**          **G**  
What a journey it has been

**C**          **D**          **G**  
What a journey it has been
