[Intro]

**Cm Bb Ab Bb**

[Verse]

**Cm**

Broken doll baby

**Bb**

And she says that life s a waste

**Ab Bb**

It doesn t have to be that way

**Cm**

Dad threw away her mom

**Bb**

Her mom gave up his name

**Ab**

Crucified by their words

**Bb**

Nailed by shame

**Cm**

She stares into the sun

**Bb**

Self-inflicted pain

**Ab**

She sees that they re blind

**Bb**

Why does she take all the blame

**Cm**

The rhyme has changed compulsion rules

**Ab**

Mary s little lambs are now raised by wolves

**Cm**

A voyeur with wings flashes a cure

**Ab Bb7**

She knows forbidden things they have a lovely lure

[Chorus]

**Cm Gm Fm**

It s alright it s ok

Welcome to this life

**Cm**

Killin time

**Gm Fm**

Just watchin the grass grow

**Cm Gm Fm**

It s alright it s ok

Welcome to this life

**Ab**

Don t worry sweet baby

**Bb**

**Cm**

Cuz it s over before you know

**Cm**

Persecuted she s not normal

**Bb**

I envy her strange ways

**Ab**

Seven deadly sins

**Bb**

Seize the hour seize the day

**Cm**

Her ideas need expression

**Bb**

Her wounds never bleed

**Ab**

Her beauty lives in my eyes

**Bb**

Too bad she can t see

**Cm**

She doesn t try I watch her spirits die

**Ab**

But giving up the ghost would feel so good

**Cm**

A voyeur with wings flashes a cure

**Ab Bb7**

She knows forbidden things they have a lovely lure

[Chorus] (x2)

**Bb**

**Cm**

Crumbling Camelot idle teardrops

**Bb**

**Ab**

Cloudy diamonds freebase funhouse

**Fm**

Expecting to fly but she s just standing still

**Ab**

Every time she gets it up she just can t close the deal

**G**

So she gives herself another way out

**G**

Walks her dog for the 50th time and

**G**

Files her nails till they bleed and she cries now

**Bb**

**Cm**

She doesn t have to try

[Outro]

<b>Cm</b>	<b>Ab</b>
It s alright,	It s OK
