

## Crazy Women

LeAnn Rimes

(G) Who d-a guessed that Aquanet  
Could start a fire with a single cigarette  
She wasn t (C) drunk, she wasn t stoned  
Just sick and tired of wonderin if he was coming home  
So she drove (G) around  
She found his car  
They heard the boom from in the bar  
He called the (C) cops  
She called his bluff  
They hauled her off in high heels and handcuffs

(Chorus)

(G) Crazy women, ex-wives and old girlfriends  
Keep their (C) crazy hidden till they re (G) pushed off the deep end  
Oh yea, (D) God forgive them, (C) they weren t born like this  
Oh no, (G) crazy women are (D) made by crazy men (G)

He told his friends she was depressed  
Borderline bi-polar, bitch with PMS  
Well he cheats and (C) lies and then plays the victim  
He don t know why they always seem to pick him

Chorus

Some take a (D) pistol, some take an ax  
Boy if you feel the fire, you better bet she s got a match  
Might be the (G) teacher just down the street  
The hairdresser or the housewife or the waitress that s so sweet  
No you won t (C) see it when you meet em  
So be careful how you treat em  
She might look just like me

(G) Crazy women, ex-wives and old girlfriends  
Keep their (C) crazy hidden till we re (G) pushed off the deep end  
Oh yea, (D) God forgive us, even though (C) some were born like this  
God knows, (G) crazy women are (D) made by crazy crazy crazy  
(G) Crazy women are (D) made by crazy men (G)
