(after this, the it goes back to the verse riff, with these lyrics)

Well it s been ten years and maybe more since i first set eyes on you
The best years of my life gone by, here i am alone and blue
Some people cry and some people die by the wicked ways of love
But i just keep on rollin long with a praise from the lord above

 bout the way you left me flat
 I don t care what the people say
 I know where their job is at
 One thing i do have on my mind

 When i tried to make love . . . to you

(just after to you , this riff comes in)

(after this, comes the solo, which i m not even going to attempt.
 After the solo, you come back to the verse riff, with these lyrics)

[can t understand first line]
 Abuse my love a thousand times, however hard i try
 Heartbreaker your time has come can t take your evil ways
 Go away heartbreaker

Now, play the chord riff 6 times, and start playing the 1st intro riff.
 Play through it once, and start it again, but leave out the last 9 notes.

If anybody has the solo, please post it. i m also looking for tab/chords
 To hendrix s purple haze.
