Verse:

Lyrics:

I wanna tell you bout the girl I love. Oh my she looks so fine.....
She s the only one that I ve been dreaming of and maybe someday she ll be all

I need to tell her she s the only one I really love.....

I got a woman wanna ball all day.....
I got a woman and she won t be true.....

2nd Verse:

Sunday morning when we go down to church.....We see the men folks standing in
line.....
They say they come to prey to the lord.....For when my little girl just
looks so fine.....
And in the evening when the sun is singing low.....Everybody s with the one
they love.....
I walk the town and keep searching all around.....Looking for my street
corner girl.

Chorus:

I got a woman wanna ball all day.
I got a woman and she won t be true no.....
I got a woman stay drunk all the time.....
I got a woman and she won t be true and.....

3rd Verse:

In the bars where the men who play guitars sit there drinking and remembering
the times...
My little honey does a midnight shift.....She fools around all of the
time.....
I guess there s just one thing left for me to do when i pack my bags and go
on my way.....
Cause i got a worried mind sharing what I thought was mine.... Cause I m
leaving with my guitar strings.....

Chorus:

I got a woman wanna ball all day....

I got a woman and she won t be true.....

{Background:Hey Hey what can I do.....}
