Oh, let the sun beat down upon my face
Stars to fill my dream
I am a traveler of both time and space
To be where I have been
To sit with elders of the gentle race
This world has seldom seen
They talk of days for which they sit and wait
When all will be revealed

Talk and song from tongues of lilting grace
 Whose sounds caress my ear
 But not a word I heard could I relate
 The story was quite clear
 Oh, oh
 Oh, oh

Oh, pilot of the storm who leaves no trace
Like thoughts inside a dream
Hid the path that led me to that place
Yellow desert stream
My Shangri-la beneath the summer moon
I will return again
Sure as the dust that floats high in June
When moving through Kashmir
