

**Fooling Myself**  
**Leddra Chapman**

CAPO 5

-----

**G**

Walking round the corner

**Am**

**C**

To see you standing there with someone else

**C**

But she don t know me

**G**

**Am**

Trying not to fall as I m forgetting how to walk,

**C**

you raise your head

**C**

But you gaze right trough me

**Am**

And maybe I should let it go but I

**C**

**G**

just don t know how I m supposed to feel

**D**

anymore

**C**

**G**

So I ll just close my heart

**Em**

and watch you walk away

**D**

pretending life s okay

(fooling myself!)

**C**

**G**

And I ll just walk on by

**F**

I ll take take you off of my eyes

**C**

fooling myself that I don t need you!

Standing at the station

as I m watching my train just passed me by

Feels like I m frozen to the floor

I want to let you know what s in my head

To see all the things I should have said

before we lost it, and I know

that maybe I can't carry on  
waiting for you to fall back into love  
with me anymore

So I'll just close my heart  
and I'll watch you walk away  
pretending life's ok  
(fooling myself!)  
And I'll just walk on by  
I'll take take you off of my eyes  
fooling myself that I don't need you!

**Em** **C**  
And I keep holding on

**G**  
to how we used to be

**D**  
(used to be!)

**Em** **C**  
But you don't find it hard

**G**  
to forget about me

**D**  
seems like you moved on easily

So I'll just close my heart  
and I'll watch you walk away  
pretending life's ok  
(fooling myself!)  
And I'll just walk on by  
I'll take take you off of my eyes  
fooling myself that I don't need you!  
fooling myself...

Have fun :)
