I play Summer Song , really basic.
Have fun!

Capo 5

INTRO **G C Em D** (2x)

G C Em
Hide and seek in the garden,
D G
Behind the trees I ll be laughing at you,
C Em
Walking the other way,
D G
Headed towards the lake,
C Em
And I can t believe you ve fallen,
D Em C D
Hysterically, appaulingly, I m rolling on the floor.
G C Em
Dry yourself off now we re making,
D
A fire for marshmellow tasting,
G C Em
You say the world is a funny place,
D G
Til everything goes your way,
C Em
And I play guitar by the fire.
D
As you re passing round bottles of cider,
Em C D
Til we re rolling on the floor,

And we ve let our hair down.

G C
Get up, get up,
Em
We re painting flowers,
D G
All over our faces just for show,

C
Sit down, chill out,
 Em
We re taking hours,
 D **G**
We ll cover the bases as we go.
 D **Em**
Feel the sun on your skin,
 C
I just want you to let your hair loose my dear.
 D
Oh my dear.

G **C** **Em**
Sing along to the music,
 D
Write a song about something stupid,
 G **C** **Em**
You see the sound always follows me,
 D **G**
The rhythm it swallows me,
 C **Em**
I get to feeling quite tipsy,
 D
Incredibly all dipsy,
 Em **C** **D**
Until I m falling to the floor,

And I ve let myself go.

G **C**
Get up, get up,
 Em
We re painting flowers,
 D **G**
All over our faces just for show,
 C
Sit down, chill out,
 Em
We re taking hours,
 D **G**
We ll cover the bases as we go.
 D **Em**
Feel the sun on your skin,
 C
I just want you to let your hair loose my dear.
 D
Oh my dear.
