D **G** **A** **A-Bb-**
Then my sister came over, had the Sunday paper with her
B **G**
There was the girl on the social page
A **D**
Lookin in love and all engaged
G **A**
We decided she don t take a very good picture

Chorus 1:

G **A** **D**
It may be my family s redneck nature
G **A** **D**
Rubbin off, bringin out unlady-like behavior
G **A** **D**
It sure ain t Christian to judge a stranger
G **A**
But I don t like her
G **A** **D**
She may be an angel who spends all winter
G **A** **D**
Bringin the homeless blankets and dinner
G **A** **D**
A regular Nobel Peace Prize winner
G
But I really hate her
A **D**
I ll think of a reason later

I drew horns and blacked out her tooth with a marker
Childish, yes, but she made such a thin little target
I couldn t be happier on my own
But I ve got the slightest of a jealous bone
And seein her with him tends to enlarge it

Chorus 1

Chorus 2:

Inside her head may lay all the answers

For curin diseases from baldness to cancer
Salt of the earth and a real good dancer
But I really hate her
I ll think of a reason later

(Spoken) Well, it was just one tooth
Did I mention I don t particularly care for her?
She makes me sick...
