People say she s only in my head
Bbm **Ebm** **C#/F#**
Gonna take time but I ll forget
F# **C#**
Say I need to get on with my life
Badd9 **F#/B**
What they don t realize

C#
Is when you re dialing 6 numbers just to hang up the phone
C#/C#
Driving cross town just to see if she s home
F#/B
Waking a friend in the dead of the night
F#
just to hear him say it ll be alright
C#
When you re finding things to do not to fall asleep
C#/C#
cause you Know she will be there in your dreams
F#/B
that s when she s
Ebm **C#**
more than a memory

F# **C#**
Took a match to everthing she ever wrote

Bbm **Ebm** **C#/F#**
watched every word go up in smoke
F# **C#**
tore all her pictures off the wall
Badd9 **F#/B**
that aint helping me at all

C#
Cause when you re talking out loud to nothing but air
C#/C#
you look like hell and you just don t care
F#/B
you re drinking more than you ever drank
F#
and sinking down lower than you ever sank
C#
then you find yourself falling on your knees
C#/C#
shaking your fist, begging please
F#/B
that s when she s
Ebm **C#**
more than a memory

Badd9 **F#**
Yeaaaaaaaaaaaaaaaaah
C#
She s more
Badd9 **F#** **G#sus4** **G#**
She s more

F# **C#**
People say she s only in my head
Badd9 **F#/B**
Gonna take time but I ll forget
C#
but when she s in every minute of every day
C#/C#
every thought i think every breath i take
F#/B **F#**
she s everywhere and she s everything

she s more than a memory

C# **C#/C#** **F#/B** **C#**
