We You Me
Lee Coulter

[Intro]
Db   **Ebm**   **Ab**   **Db**

[Verse]
Db   **Bbm**   **Ab**
we, yeah, you and me we speak the same language
Gb   **A**   **D**   **Ebm**   **Ab**   **Db**
not just the words it everything
                                                           Bbm   **Ab**
got two tickets to where the sky meets the freeway
Gb   **Ab**   **Db**
   i feel every word every time we sing
Ebm   **Gb**   **Ab**
yeeeeah, yeah yeah, how time slows down ..with you
                                  Db
i pick it up, pick it up now

Db
here we go, here we go, here we go
                                 Gb
and we re heading to forever
                      Ebm
couldn t get any better
Ab   **Db**
   We, yeah, you and me
here we go, here we go, here we go
                             Gb
cause we re doing it together
                      Ebm
it couldnt get any better
Ab   **Db**   **Eb**   **Db**
   we, yeah, you and me

[Verse]
                                          Bbm   **Ab**
i like who i am with you in vincinity
 Gb   **Db**   **Ab**   **Db**
i like how i look looking through your eyes
                                               Bbm   **Ab**
we build eachother up with a sweet affinity
Gb   **Db**   **Ebm**   **Db**
Watch the ripples grow as it multiplies
Ebm   **Gb**
yeeeah, yeah, yeeah, how time slows down.
Db
here we go, here we go, here we go

```
                          Gb
and we re heading to forever
                    Ebm        Ab
couldnt get any better
      Db
we, yeah, you and me
here we go, here we go, here we go
                          Gb
cause we re doing it together
                    Eb       Ab
it couldnt get any better
      Db
we, yeah, you and me

[Interlude]
Gb Db Ab Db    x3

[Verse]
Db                                    Bb        Abm
  we ll keep doing what we do and do it like we mean it
Gb                        Ab       Db     Ab   Db
not just the words, our hearts and souls
                                    Bbm       Ab
we take what we got and twist it in the music
         Gb                          Ab     Db     Ab    Db
if its comming to an end then i dont want to let go
Ebm                      Gb                  Ab
Yeaaah, yeah, yeeah, how time slows down with you
                              Db
and i don t want to pick it up now

[Outro]
Db
 here we go, here we go, here we go
and we re heading to forever
                    Ebm       Ab
it couldn t gert any better
      Db
we, yeah, you and me
Db
 here we go, here we go, here we go
and we re heading to forever
                    Ebm       Ab
it couldn t gert any better
      Db
we, yeah, you and me
Db
 here we go, here we go, here we go
and we re heading to forever
                    Ebm       Ab
it couldn t gert any better
      Db
we, yeah, you and me
```
