**C**  
My heart is getting heavier  
**C** **Am**  
Heavier than I ever thought it could  
**F** **C**  
And for a while I believed that I was superman  
**G**  
But I misunderstood  
**C**  
And you can chase me down cause you know how  
**C** **Am**  
I want to feel like what we had was good  
**F**  
But now my heart is getting heavier  
**C** **G**  
Heavier than I ever thought it should  
**C**  
With this empty space I can't replace  
**C** **Am**  
The overwhelming memory of your face  
**F** **C**  
And in this hall of empty picture frames I wish I never even knew  
**F**  
These halls of empty picture frames  
**C**  
You knew the heartache they could do  
**F**  
Halls of empty picture frames  
**C** **G**  
I wish I never even knew your name  
**C**  
Sleepless nights I'm terrified  
**C** **Am**  
I wonder if I'll ever leave this place  
**F** **C** **G**  
But all they hear are wait my dear in case you ever need a place to stay  
**C**  
Well I know that this is just a song  
**C** **Am**  
But maybe it will reach your ears someday  
**F** **C**  
We both know I fucked it up now suck it up  
**G**  
And live and learn to love another way  
**C**  
Oh well easier is said than done  
**C** **Am**

My heart is growing heavy anyway  
**F**  
 Well its better to have loved and lost  
**C**  
 At least thatâ€™s what the lonely people say  
**C**  
 Well I feel alone I told you so  
**C**  
 And time and time again I let it go  
**Am**  
**F**  
 But if youâ€™ve never had a broken heart  
**C**  
 Then thereâ€™s no way in hell youâ€™ll ever know  
**C**  
 Oh my heart is getting heavier  
**C**  
 Heavier than I ever thought it could  
**Am**  
**F**  
 Well my heart is getting heavier  
**C**  
 Heavier than I ever thought it should  
**C**  
 Now my heart is getting heavier  
**C**  
 Now heavier than I ever thought it could  
**Am**  
**F**  
 Well my heart is growing heavier  
**C**  
 Well than I ever thought it should  
**G**  
 Ever thought it should  
**C**  
 Now my heart is getting heavier  
**C**  
 Heavier than I ever thought it could  
**Am**  
**F**

**G**  
 But I misunderstood  
**C**
