Dsus

Em7 **Cadd2**
Give it up, my heart is starving

G
Live it up

Dsus4
Give it up

Verse:

Excuse me miss, I don t mean to stare

You got me hypnotized with your long brown hair and your

Hazel eyes and your don t care smile

Would it be rude to ask if I could stay awhile?

I don t mean to intrude, I had to say hello.

Because if I never did it then I would never know.

I might just be passing through

But I might stay for you

Chorus:

You ve only got one life

One life to live

I wanna give it everything I ve got

Who knows? This might be it for us

So why don t we live it up?

Live it up darling

Give it up, my heart is starving

Live it up

Give it up

Verse:

In every second that passes me by

Oh we re wasting precious time

So let s find out what lies between

You and me and the more we say

Hello

Let s get this right

Chorus:

So why don t we live it up

Live it up darling

Give it up my heart is starving

Live it up

Give it up

You ve only got one life

One life to live

I wanna give it everything I ve got

Who knows? This might be it for us

You only got one life

One life to live

I m gonna give it everything I ve got

Who knows? This might be it for us

So you go to live it up

Oh live it up darling

Give it up now, my heart is starving

Live it up

Give it up

Live it up

Live it up darling

Give it up my heart is starving

Live it up

Give it up
