Me & My Jealousy

Lee DeWyze

Capo VI

C

I think about him holding you

Am F

There s nothing much that I can do

Αm

The seconds and the minutes

G

The minutes and the hours

F

The future is his and the past is ours

C

They tell me I should just move on

Am F

It s easier said than done

Am G F G

The only thing left keeping me company just me and my jealousy

C G Am F

I lie awake at night

C G Am F

You keep running through my mind

C G

Jealous of the hand that you hold

Am F

The city in the winter never seemed so cold

C G Am G C

Nothing left of me just me and my jealousy

C

You said there really isn t much to say

Δm F

But we ll be better off this way

Am G

So tell me is it better while you re lying in bed

```
I wonder if you ever think of me instead
C
  Then I got nothing left to prove
Am
When you got nothing, you got nothing to lose
The only thing left keeping me company just me and my jealousy
                Am
I lie awake at night
      C
               G
                          Am
You keep running through my mind
Jealous of the hand that you hold
Chicago in the winter never seemed so cold
       G
                       G
                Αm
Nothing left of me just me and my jealousy
I m jealous of the pillow where you lay your head
The only thing you re lying with is my regret, my regret
And I m jealous of the way he says your name
I should ve held you tighter but I let you walk away
      G
I lie awake at night
        C
                G
You keep running through my mind...
                               F
C
              G
                     Am
This needs to end tonight
                G
                                 F
I can t get you off my mind
Jealous of the hand that you hold
Chicago in the winter never seemed this cold
                Am
Nothing left of me just me and my jealousy
```
