Reff:

D **A**
stay for a while
Bm **G**
I know it s getting near
D **A**
Why don t you stay for a while
Bm **G**
It s hard to say I love you dear
D
I love you dear

D3 A Bm G D

And then you leave with smiles
And you return with tears
Now you have made come true
All of my biggest fears
It s almost twelve o clock
And before you leave
Make sure the door is locked Unless you

stay for a while
I know it s getting near
Why don t you stay for a while
It s hard to say I love you dear

Your hair looks wonderful
Your clothes are so well kept
I know you re wide awake
But I haven t slept yet
I haven t slept

Why don t you stay for a while
I know it s getting near
Why don t you stay for a while
It s hard to say I love you dear
I love you dear

My hair looks wonderful
My clothes are so well kept
I know I m wide awake
And you haven t slept yet
You haven t slept yet

Why don t you stay for a while
I know it s getting near
Why don t you stay for a while
It s hard to say I love you dear
I love you dear
