Somebody - Lee Evans

Tabbed by: Luke Pollard
Email: luke_pollard@live.co.uk

Tuning: Standard

I don't believe anybody's tabbed this yet, but it's a fairly simple one. Just the three chords - Bb F and Eb. Ideally use barre chords. The song should be played on ukulele and the same chords can be used on that, but guitar sounds just as good.

Bb **F**
I m a somebody, somebody, somebody, somebody

Would you steal a rich mans wife?
If it made my life, oh, less of a strife
Lazing around on her old man s money
Well that just makes em feel like
I m a somebody, somebody, somebody
Would you take a man for all he s got?
Leaving him with diddly
Ha-ha diddly squat
I would step on anybody if
If thought it would make me a somebody right here, right now
I wouldn t step on nobody but,
It just makes me feel like
I m a somebody, somebody, somebody, somebody
Would you twist

Would you twist that man s wrist
It s good to fix up a few
Dirty tricks
Yeah, I don t give a shit
Well, my skin is that thick
Yeah, I m the get-rich-quick
Get-rich-quick son of a bitch
Yeah tha s who I am
Maybe I lack a little upper class
But as long as I m al right, Jack
It s up your arse!
Yeah, I would step on anybody if
If i thought it would make me
A somebody right here, right now
I wouldn t step on noody, but
It just makes em feel like
I m a somebody
Oh yes I am
Would you drag that man

Would you drag that man down?
If i thought that I was going to drown
The I d spread i all round town
Of how i tried to save the man
Oh, unfortunately he drowned
Yes, he went down
Would you stab a man
In the back?
Best time, when they can t
Fight you back
I would step on anybody if
If i thought it would make me
A somebody
I wouldn t step on nobody, but
It just makes me feel lik
I m a somebody
Oh please
I wanna be a somebody, please.
I gonna step into the sunlight
Oh, from the darkness
Yeah
Oh, please
Why not me?
Oh, oh, oh
Yeah
Up em and fuck em
And suck em and screw em
And woo em and do em
And trash em
And smash em and bash em
Accuse em, amuse em, then use em
Grab em and gag em
And nab em and bag em

Until they say
Until they say
Goodbye...
Up em and fuck em
And suck em and screw em
And woo em and do em
Trash **Em**
And smash em and bash em
Grab em and gag em
Until they say
Until they say
Goodbye
