

**Suicide**

**Lee Evans**

This is close as I can get to the well funny song found on the Live In Scotland DVD. I

have adapted most cords for a better sound for the guitar, and this is my first tab, so

have fun!!!!

Tabbed by: C3\_Rocka [aka Chaz]

**C**

Took a bottle of sleeping pills

**E**

Nothing happened not until

**F**

I felt slightly unstable, when I looked at the label

**Fm**

**F**

They were my wifes hormone replacement pills

**Am**

And its getting me down

**C**

**D**

I just wanna be six feet underground

**B**

Yes I m happy

**F# F**

Go lucky
