

Dixie Road

Lee Greenwood

Capo 1

Intro: **A**

A

I would pick and we would sing to the rhythm of that front porch swing

D

A

The moonlight holds the spotlight that we shared

A

I found new notes on that old guitar, she believed I could be a star

Bm

E

She told me that she wanted to be fair

A

She said, I love you more than to hold you down, boy you're glory bound

D

A

We can't share a world with different dreams

A

So I chased mine and she found hers too, but someone else made hers come true

E

A

Now I'm a star, but every time I sing

Chorus:

A

My heart goes drifting down a dusty dixie road

D

A

Taking my mind, back in time

A

L.A. lights burn like hell once you know

E

A

You left heaven waitin' down the dixie road.

A

Every night I'm in a different place and I'm searching every stranger's face

D

A

Trying to find the girl that's just not there

A

She's back there in Montgomery and I'm clear across the country

E

A

But whenever I'm alone I go back there.

Chorus

Chorus: key change: **B, E, B, F#, B**
