B7 **E**
And if it s Monday morning

My eyes are a little blurred for a Monday morning
You re leaving town, I ve heard, if it s Monday morning
So goodbye is another word for a Monday morning
But I could be doing fine, if I could get you off my mind
And if it s Monday morning

G **D**
Won t someone help me quick? I m down and I m feeling sick

G **D**
There s just too much of my head that s showing

B
God, if you won t help me, then help me help me

E
Because I m not exactly sure where I m going

Well I know I should go home if it s Monday morning
Cause our room is all alone if it s Monday morning
But I ll probably get stoned if it s Monday morning
Then I ll think I m doing find, but I ll bet you re on my mind
Come next Monday morning

Well the man just let me out and I think it s Monday morning
There s a taste here in my mouth that tastes like Monday morning
