And if it s Monday morning

My eyes are a little blurred for a Monday morning  
You re leaving town, I ve heard, if it s Monday morning  
So goodbye is another word for a Monday morning  
But I could be doing fine, if I could get you off my mind  
And if it s Monday morning

**G** **D**  
Won t someone help me quick? I m down and I m feeling sick

**G** **D**  
There s just too much of my head that s showing

**B**  
God, if you won t help me, then help me help me

**E**  
Because I m not exactly sure where I m going

Well I know I should go home if it s Monday morning  
Cause our room is all alone if it s Monday morning  
But I ll probably get stoned if it s Monday morning  
Then I ll think I m doing find, but I ll bet you re on my mind  
Come next Monday morning

Well the man just let me out and I think it s Monday morning  
There s a taste here in my mouth that tastes like Monday morning
