Must Have Been Something I Loved

C **F** **C** **F**
You re looking sick and your head is hanging down
C **F** **C** **F**
You look like you have been living under the ground

C **F** **C** **F**
An old man said to me yesterday:

G
Don t you know what s the matter with you?
Don t you know what to say? And I said it:

C **F** **C** **F** **C** **F**
Must have been, must have been, must have been,
C

Must have been something I loved.

I know a man looks better than you
And he s been dead for a week or two.

An old man said...

I know what you ve been going through
Cause look at me, I m twenty-two.
