Poor Man
Lee Hazlewood
[Chorus]
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
Just for you. Just for you
[Verse 1]
One year tomorrow since I cut Billy down
He was your lover and I cut Billy down
One year tomorrow since I cut Billy down
Cut him down. Cut him down
I ll miss the robins and the little songs they sing
After tomorrow I ll miss everything
I ll miss the robins and the little songs they sing
Songs they sing
[Chorus]
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
Just for you. Just for you
[Verse 2]
If God is watching when I pay for my sin
Tell him I m sorry but I d do it again
```

```
If God is watching when I pay for my sin
For my sin
[Chorus]
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
Just for you. Just for you
[Verse 3]
Buy me no roses when they lay me in the ground
Go tell my mother I cut my brother down
Go tell my mother I cut my brother down
Cut him down
[Chorus]
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
I m just a poor man with a heart full of love
Just for you. Just for you
