

Dont Ask Me

Lee Macdougall

Hi There! Here s another great song by Lee called
Don t Ask Me. It s fairly easy to play. There are some
chords on here a C and Am that you play and then slide
down 2 frets and play it there. I have no idea what
they re called so leave me a message if you do! Just watch
the video to get strumming and he does lots of hammers
that you can see on the video too. Also this was tabbed out
directly with this video, lyrics and all. The other ver-
sions are different. Watch the video!

C [332010]- This is how Lee plays it. Regular C s can be used instead
C* [032010]- Basic C (much easier IMO!)

G [320033]

Am [x02210]

Bm [x04430]- Just slide up 2 frets from Am. The timing is a bit tricky

Em7[020000]

D [xx0232]

D4 [xx0233]- Can be ignored, just how Lee plays it

D2 [xx0230]
