STANDARD TUNING w/
CAPO ON 3

Intro-

C F

C

It s all been said before

F

But darling here s the truth

It s hard to find the words

C

As beautiful as you

You say I can be cold

F

Emotions cast from steel

Well I might not bare my soul

G

This is how I feel

(**G**)

I hate to see you cry

F

I love to see you laugh

I keep in my mind

G

My favorite photograph

I take it out sometimes

F

F -once

To see you smile

C

F

Is that o-kay? O-kay?

C

It s all been said before

F

But what was I to do
I tripped over your smile

C

I fell in love with you
You broke my heart of stone

F

You solved my mystery
I don't need all I own

G

I just need you with me

(**G**)

I hate to see you cry

F

I love to see you laugh
I keep in my mind

G

My favorite photograph
I take it out sometimes

F **F** -once

To see you smile

Am **G**

Is that oka-ay? When,

Dm **F**

My body gets old and my body turns cold

Am **G**

And then gray, haired

Dm

Watch the sun from the sky

F

Like a tear from your eye

Am **G**

And the guards, they stop

Dm

When everything passes

F

The worlds left in ashes

Am **G** **F** **C**

I'll still have your smile

F

Ooohoo

G

I hate to see you cry

F

I love to see you laugh
I keep in my mind

G

My favorite photograph

I take it out sometimes
 F **F** -once
To see you smile
 C
Is that o-kay?
 F **C** -once
O-kay?

Have fun and RATE:)
