STANDARD TUNING w/  
CAPO ON 3

Intro-

**C F**

**C**

It s all been said before

**F**

But darling here s the truth

It s hard to find the words

**C**

As beautiful as you

You say I can be cold

**F**

Emotions cast from steel

Well I might not bare my soul

**G**

This is how I feel

(**G**)

I hate to see you cry

**F**

I love to see you laugh

I keep in my mind

**G**

My favorite photograph

I take it out sometimes

**F**

**F** -once

To see you smile

**C**

**F**

Is that o-kay? O-kay?

**C**

It s all been said before

**F**

But what was I to do  
I tripped over your smile

**C**

I fell in love with you  
You broke my heart of stone

**F**

You solved my mystery  
I don't need all I own

**G**

I just need you with me

(**G**)

I hate to see you cry

**F**

I love to see you laugh  
I keep in my mind

**G**

My favorite photograph  
I take it out sometimes

**F** **F** -once

To see you smile

**Am** **G**

Is that oka-ay? When,

**Dm** **F**

My body gets old and my body turns cold

**Am** **G**

And then gray, haired

**Dm**

Watch the sun from the sky

**F**

Like a tear from your eye

**Am** **G**

And the guards, they stop

**Dm**

When everything passes

**F**

The worlds left in ashes

**Am** **G** **F** **C**

I'll still have your smile

**F**

Ooohoo

**G**

I hate to see you cry

**F**

I love to see you laugh  
I keep in my mind

**G**

My favorite photograph

I take it out sometimes  
    **F**    **F** -once  
To see you smile  
    **C**  
Is that o-kay?  
    **F**    **C** -once  
O-kay?
