CAPO ON 3

Intro-

**C# F#**

**C#**

It s all been said before

**F#**

But darling here s the truth

It s hard to find the words

**C#**

As beautiful as you

You say I can be cold

**F#**

Emotions cast from steel

Well I might not bare my soul

**G#**

This is how I feel

(**G#**)

I hate to see you cry

**F#**

I love to see you laugh

I keep in my mind

**G#**

My favorite photograph

I take it out sometimes

**F# F#** -once

To see you smile

**C# F#**

Is that o-kay? O-kay?

**C#**

It s all been said before

**F#**

But what was I to do  
I tripped over your smile

**C#**

I fell in love with you  
You broke my heart of stone

**F#**

You solved my mystery  
I don't need all I own

**G#**

I just need you with me

**(G#)**

I hate to see you cry

**F#**

I love to see you laugh  
I keep in my mind

**G#**

**F# F# -once**

**Bbm G#**

Is that oka-ay? When,

**Ebm F#**

My body gets old and my body turns cold

**Bbm G#**

And then gray, haired

**Ebm**

Watch the sun from the sky

**F#**

Like a tear from your eye

**Bbm G#**

And the guards, they stop

**Ebm**

When everything passes

**F#**

The worlds left in ashes

**Bbm G# F#**

**C#**

I'll still have your smile

**F#**

Oohoo

**G#**

I hate to see you cry

**F#**

I love to see you laugh

I keep in my mind
