Time keeps moving on

E/D# C#m

Through the sunshine and the storm

E E/D# C#m B

And my dreams are set in stone

E/D# C#m

And someday Iâ€™ll be who I want to be

E/D# C#m E/D# C#m

For now Iâ€™ll wait

C#m E E/D# C#m B

For the sun to shine again

E/D# C#m E/D# C#m

For now Iâ€™ll wait

C#m E E/D# C#m B

For the rain to pass away

E B C#m B

And Iâ€™m looking for the brighter days

E B C#m B

When all my hurts seem to fade away

E B C#m B

Iâ€™m looking for the brighter days to come my way

Faces come and faces go

But none seem to look my way

And walls have stood and walls have fallen

But my heart seems to wait

For now Iâ€™ll sit at the end of the road

And for now Iâ€™ll wait

At the end of the pathway

E B C#m B

Iâ€™ll see the sun one day shine upon me

E B C#m

Iâ€™ll see the sun one day

E B C#m B

And watch the nighttime turn to morning

E E/D# C#m B

But for now it all comes back around
