So Iâ€™ll be here waiting where we started

My feet were bruised

I tried but I couldnâ€™t fill Your shoes

I went my way

I bought the lie that I was all grown up

Didnâ€™t need You in my life

The winter left me cold and frozen

Looking for the truth
But searching for the sun
I found the place where I met You

It feels so good

To be in Your arms

You never left me

I just chose to stay behind

I want to thank You for Your love

That gives me freedom

To run back, to come back
