```
King Of My Heart
Leeland
[Intro]
[Verse 1]
Here, underneath
           Bm
You re covering, inside Your wings
I, I am renewed
           Bm
By grace and truth
I €Â™ll follow You, My Lord for
I have, I have, I have fallen in love
[Chorus]
You are all I €Â™m living and breathing for
Every day, every night, I have fallen in love
I €Â™m giving You my hopes and dreams everything
All my time for You are mine and I have fallen in love
                                                 Bm
You are, You are, You a€Â™re the King of my heart
My heart, I have fallen in love
[Verse 2]
Come, have Your way
     Bm
Love invade
Every single space, in my heart for...
I have, I have fallen in love
[Chorus]
You are all I \hat{A} \!\!\in\!\! \hat{A}^{\mathbb{M}m} living and breathing for
Every day, every night, I have fallen in love
I €Â™m giving You my hopes and dreams everything
Bm
                                  F#m
```

```
All my time for You are mine and I have fallen in love
You are, You are, You aae, You aâ€â™re the King of my heart
My heart, I have fallen in love
[Bridge]
                 D/F#
All my future, my hope
All my heart and my soul
                                   Εm
All that I need to know, is nothing less than You love me
                 D/F#
All my future, my hope
All my heart and my soul
                                   Em
                                                         G
                                                                D/F#
All that I need to know, is nothing less than You love me
                                                             Em
Nothing less than You love me, nothing less than You love me
[Chorus]
               D/F#
I have, I have fallen in love
I have, I have fallen in love
You are all I €Â™m living and breathing for
Every day, every night, I have fallen in love
I €Â™m giving You my hopes and dreams everything
All my time for You are mine and I have fallen in love
You are, You are, You a€Â™re the King of my heart
My heart, I have fallen in love
[Outro]
                G
                G
Bm
