You've never felt in place

And you tell yourself it's all okay  
B F# G#m  
But something's different today  
E F# B  
You want to run the opposite way

[Chorus 1]

B F# G#m  
And it seems like you're locked in a cage  
G#m E F#  
And you need to find a way of escape  
B F# G#m  
When everyone is setting the pace  
E F# B  
It's okay to run the opposite way

He knelt in the garden and prayed

Father, let this cup pass from me

Your will for me is the opposite way
