E G#m  
I ve sat by for too long

I have chances everyday  
C#m A E B  
To live like you, die to myself, give Your love away  
A C#m A - A C#m B  
and i wonder why i feel so empty inside  
while i sing

[Chorus]

C#m A E  
la la la la la la la la  
B C#m  
as the hungry roam the streets  
C#m A E  
la la la la la la la la  
B C#m  
as the broken are on their knees  
C#m A E  
la la la la la la la la

E G#m  
We are frozen we are still  
C#m A E  
but were called to be a city on a hill

and as our melodies resound  
C#m A  
we cannot hear the silent cry  
E B  
this world is screaming out  
A C#m A - A C#m B  
and we wonder why, we feel so empty inside  
while we sing

as the hungry roam the streets
