Vital weapon is what Rastaman got to say  
For thirty pieces of silver, They sold Rastafar-I

Hear my people now  
The teachings of an ancient African  
Clean up your hands to reveal the truth and right  
The stone that the builder refused  
Will always be the head cornerstone.  
Nattydread stand fort  
Like Shadrach, Meshach and Abendigo  
Prepare and get ready for the new revolution  
This is a time, a go dread  
There is no ride place  
Thats why, I say

( Dm -Am )

Me Gwaan, Me Gwaan, Me Gwaan... I and I love  
Me Gwaan, Me Gwaan...
