

Dont Hold It Against Me
Leesha Harvey

Capo 1

Intro:

D G D G A D

D

A hint of recognition

D G D G

A little bit of danger in your eye

D

This room isn't big enough

D G D G A D

We can't avoid it even if we try

A

The person between you and me

G

Makes introductions awkwardly

A D

But we both pretend we've never met before

A

You shake my hand then look away

G

And I search for some smart words to say

A G AMaj7

But then again you've heard them all before

Chorus:

D

Don't hold it against me

G D

I know I said too much and I bled too much in your arms

Hm

But that was then, and if you were me,

A G

You'd have done the same, you'd have done the same thing

D G AMaj7 C D

Don't hold it against me

D

Loneliness can drive you

D G D G

Down the roads you never meant to go

D

I thought I was wiser

D G D G A D

But you knew things I guess I didn't know

A

I wonder how it must have seemed

G

As I worked my way into your dreams

A D

But I never meant to get the best of you

A

Drowning, hoping you would save

G

And taking everything you gave

A G AMaj7

I never knew what my pain put you through

Chorus

G D G A D

Hm D

Weâ€™re just standing here in silence

Hm D

When something makes you laugh

G

And I see the spark I loved back then

A G

And Iâ€™m wanting you all over again, Iâ€™m wanting you all over again

A D

Yes, Iâ€™m wanting you all over again

G D G D G AMaj7 D

Donâ€™t hold it against me

G D

Donâ€™t hold it against me

G A

Youâ€™d have done the same, youâ€™d have done the same

G A

Youâ€™d have done the same, youâ€™d have done the same thing

D

Donâ€™t hold it against me
