Leftover Salmon - Blue Kentucky Sky

**G# C# G#**

Somebody asked me if I d been to old Kentucky

**G# Eb**

If I d seen the green hills in the early morning light

**G# C# G#**

I just laughed and smiled, said you know that I ve been lucky

**G# Eb G#**

I ve got visions of Kentucky, in every corner of my mind.

I fust saw Kentucky when I was seventeen

And I hitchhiked out of Pittsburg chasing bluegrass dreams

I went to my first festival and drank a little shine

Watching Bill Monroe sing the Walls of Time

Chorus:

**C# G#**

And them green Kentucky hills

**Cm Fm**

Rollin to the sky

**C# G#**

Ripplin waters flowin

**G# Eb**

Under that Moonshine

**C# G#**

Been around the World

**G# Fm**

But I ve never rest my eyes

**C# G#**

On a place as sweet as home

**Eb G#**

Under Blue Kentucky Skies

**C# G#**

On a place as sweet as home

**Eb G#**

Under Blue Kentucky Sky

Well I ve lived a life I ve been up and I ve been down

I have lived on porches and slept out on the ground

Well I ve hung around mansions and all that I ve found

That there s nothing ike a cabin in that Old Kentucky ground

[Chorus]

Jam (verse and chorus)

Well I go back to Kentucky just to play this old guitar  
That s how I make my livin now, singing in these bars  
But no matter how far I travel these days, no matter how far  
I ve got visions of Kentucky shining like a star

[Chorus]
