Leftover Salmon - Blue Kentucky Sky

F Bb F
Somebody asked me if I d been to old Kentucky
F C
If I d seen the green hills in the early morning light
F Bb F
I just laughed and smiled, said you know that I ve been lucky
F C F
I ve got visions of Kentucky, in every corner of my mind.

I fust saw Kentucky when I was seventeen
And I hitchhiked out of Pittsburg chasing bluegrass dreams
I went to my first festival and drank a little shine
Watching Bill Monroe sing the Walls of Time

Chorus:

Bb F
And them green Kentucky hills
Am Dm
Rollin to the sky
Bb F
Ripplin waters flowin
F C
Under that Moonshine
Bb F
Been around the World
F Dm
But I ve never rest my eyes
Bb F
On a place as sweet as home
C F
Under Blue Kentucky Skies
Bb F
On a place as sweet as home
C F
Under Blue Kentucky Sky

Well I ve lived a life I ve been up and I ve been down
I have lived on porches and slept out on the ground
Well I ve hung around mansions and all that I ve found
That there s nothing ike a cabin in that Old Kentucky ground

[Chorus]

Jam (verse and chorus)

Well I go back to Kentucky just to play this old guitar
That s how I make my livin now, singing in these bars
But no matter how far I travel these days, no matter how far
I ve got visions of Kentucky shining like a star

[Chorus]
