Leftover Salmon - Blue Kentucky Sky

**F Bb F**  
Somebody asked me if I d been to old Kentucky  
**F C**  
If I d seen the green hills in the early morning light  
**F Bb F**  
I just laughed and smiled, said you know that I ve been lucky  
**F C F**  
I ve got visions of Kentucky, in every corner of my mind.

I fust saw Kentucky when I was seventeen  
And I hitchhiked out of Pittsburg chasing bluegrass dreams  
I went to my first festival and drank a little shine  
Watching Bill Monroe sing the Walls of Time

Chorus:

**Bb F**  
And them green Kentucky hills  
**Am Dm**  
Rollin to the sky  
**Bb F**  
Ripplin waters flowin  
**F C**  
Under that Moonshine  
**Bb F**  
Been around the World  
**F Dm**  
But I ve never rest my eyes  
**Bb F**  
On a place as sweet as home  
**C F**  
Under Blue Kentucky Skies  
**Bb F**  
On a place as sweet as home  
**C F**  
Under Blue Kentucky Sky

Well I ve lived a life I ve been up and I ve been down  
I have lived on porches and slept out on the ground  
Well I ve hung around mansions and all that I ve found  
That there s nothing ike a cabin in that Old Kentucky ground

[Chorus]

Jam (verse and chorus)

Well I go back to Kentucky just to play this old guitar  
That s how I make my livin now, singing in these bars  
But no matter how far I travel these days, no matter how far  
I ve got visions of Kentucky shining like a star

[Chorus]
