Leftover Salmon - Blue Kentucky Sky

F# B F#

Somebody asked me if I d been to old Kentucky

F# C#

If I d seen the green hills in the early morning light

F# B F#

I just laughed and smiled, said you know that I ve been lucky

F# C# F#

I ve got visions of Kentucky, in every corner of my mind.

I fust saw Kentucky when I was seventeen

And I hitchhiked out of Pittsburg chasing bluegrass dreams

I went to my first festival and drank a little shine

Watching Bill Monroe sing the Walls of Time

Chorus:

B F#

And them green Kentucky hills

Ebm Ebm

Rollin to the sky

B F#

Ripplin waters flowin

F# C#

Under that Moonshine

B F#

Been around the World

F# Ebm

But I ve never rest my eyes

B F#

On a place as sweet as home

C# F#

Under Blue Kentucky Skies

B F#

On a place as sweet as home

C# F#

Under Blue Kentucky Sky

Well I ve lived a life I ve been up and I ve been down

I have lived on porches and slept out on the ground

Well I ve hung around mansions and all that I ve found

That there s nothing ike a cabin in that Old Kentucky ground

[Chorus]

Jam (verse and chorus)

Well I go back to Kentucky just to play this old guitar
That s how I make my livin now, singing in these bars
But no matter how far I travel these days, no matter how far
I ve got visions of Kentucky shining like a star

[Chorus]
