Iâ€™m just so glad you
Flew down next to me
And like Banana Man
I know that you would do the best you can
With your super strength,
To keep me from harm...
And like Spiderman
I know that you would spin a web around the world for me
Itâ€™s all part of your charm.

Just like I ought a

You saved me, from myself
You are my obi wan Kenobi nursing me right back to health
And
I know that you donâ€™t wear a utility belt
But Iâ€™d still be your golden girl
But, weâ€™ll have to do something
About the bat mobile
Coz neither of us can drive.
