F#

Allergic to kryptonite,

B

(And if you) take off your glasses

G#m

the whole world will know

E

F#

Your identity

And Iâ€™m not jealous or even embarrassed
That the whole world knows what your underwear looks like
Iâ€™m just so glad you
Flew down next to me
And like Banana Man
I know that you would do the best you can
With your super strength,
To keep me from harm...
And like Spiderman
I know that you would spin a web around the world for me
Itâ€™s all part of your charm.

CHORUS

E
Iâ€™ve been waiting so long
F#
Trying hard to keep strong
E **F#**
Doing this the best i can

E
What I didnâ€™t realise
F#
Is Iâ€™ve been wasting all this time
E **F#**
Holding out for superman

And Iâ€™ve found him.

(**B, G#m, F#, E X 2**)

(Verse)

You make the power rangers
Look really lame
And like an Autobot
Youâ€™d fight off any
Deceptacon that came
You
Throw my captain hook out of the water, water
So Iâ€™ll keep your secret safe
Just like I ought a

You saved me, from myself
You are my obi wan Kenobi nursing me right back to health
And
I know that you donâ€™t wear a utility belt
But Iâ€™d still be your golden girl
But, weâ€™ll have to do something
About the bat mobile
Coz neither of us can drive.

(CHORUS)

So stay away from Kryptonite and weâ€™ll be alright X2

So stay away from Kryptonite and we will be alright-
Stay away from Kryptonite, and weâ€™ll be alright.

E **F#**
