**G**

**A**

Your identity

And Iâ€™m not jealous or even embarrassed  
That the whole world knows what your underwear looks like  
Iâ€™m just so glad you  
Flew down next to me  
And like Banana Man  
I know that you would do the best you can  
With your super strength,  
To keep me from harm...  
And like Spiderman  
I know that you would spin a web around the world for me  
Itâ€™s all part of your charm.

CHORUS

**G**

Iâ€™ve been waiting so long

**A**

Trying hard to keep strong

**G**

Doing this the best i can

**A**

**G**

What I didnâ€™t realise

**A**

Is Iâ€™ve been wasting all this time

**G**

Holding out for superman

**A**

And Iâ€™ve found him.

(**D, Bm, A, G X 2**)

(Verse)

You make the power rangers

Look really lame

And like an Autobot

Youâ€™d fight off any

Deceptacon that came

You

Throw my captain hook out of the water, water

So Iâ€™ll keep your secret safe

Just like I ought a

You saved me, from myself

You are my obi wan Kenobi nursing me right back to health

And

I know that you donâ€™t wear a utility belt

But Iâ€™d still be your golden girl

But, weâ€™ll have to do something

About the bat mobile

Coz neither of us can drive.

(CHORUS)

So stay away from Kryptonite and weâ€™ll be alright X2

So stay away from Kryptonite and we will be alright-  
Stay away from Kryptonite, and weâ€™ll be alright.

CHORUS

**D** **Bm**  
Iâ€™ll keep your secret safe

**G** **A**  
From the world with me coz

**D** **Bm**  
I donâ€™t want anyone

**G** **Gm** **D**  
Trying to steal my Su -per man
