When It All Goes Wrong - Music and Lyrics by Leigh Mary Stokes

G **B**
I have a bitter tongue
 C
And a taste for irritating you and
G **B**
You have a way of making me
C
Angrier than I have ever been.

(Versus throughout are just **G B** and **C**)
But when you walk away,
I donâ€™t know what to say
You leave me crying I spend hours trying to
Go back in time in my head
Going over and over
All those stupid little words I said.

(chorus)
Am **D**
And when it all goes wrong
 Am
I donâ€™t know what to say
 D
Itâ€™s killing me to just sit back
 Am
And watch you walk away
 D
And when it all goes wrong
 Am
How can I explain?
 D
My love for you is killing me
 G **B** **C**
Thatâ€™s why I asked you to leave

Versus again **G,B,C**

Itâ€™s all a mess and Iâ€™ve been going on acting
Like scarlet Oâ€™Hara
A little bit dramatic
But itâ€™s too late
And youâ€™re to blame
Oh what a shame

Iâ€™m feeling lower and lower
By the minute â€˜coz
You walked away....

Bridge

Am **D**
But i know when you go
Am
That youâ€™ll be home tonight
D
Hopefully telling me
Am
How youâ€™ll make things alright
D
And weâ€™ll sit on the sofa
Am
Watch telly and do
D
All the things that weâ€™d normally do
Am **D**
And you say that youâ€™ll never leave again
Am **D**
You say that youâ€™ll never leave again
Am **D**
You say that youâ€™ll never leave again
Am **D**
You say that youâ€™ll never leave again

(Double Chorus)

Am **D**
And when it all goes wrong
Am
I donâ€™t know what to say
D
I need you here with me
Am
To make me feel okay
D
And when it all goes wrong

Am
How can I explain?
D
My love for you is killing me
Am
Thatâ€™s why I asked you to leave -
Am **D**
Next time it all goes wrong
Am
Please donâ€™t walk away
D
I need you here with me

Am

To make me feel okay

D

Next time it all goes wrong

Am

Please donâ€™t walk away?

D

This is my apology so baby
