This is the result of an hours work and it s about as good as I can get it. If you listen closely to the recording you ll notice some places where there s some hammering on and off between some of the chords. Mostly around the D s. Play it straight or embellish with some hammering and pulling off of your own. It sounds good either way.

Capo 1st fret

G **A** **D**
Santa knows what I want for Christmas
G **A** **D**
but Jesus knows what I need
G **A** **D** **Bm**
it can t be purchased wrapped up and placed
G **A** **D**
