D G Em A
I need to share every breath of you, oh I, oh I

G Em G
Look into your eyes each night for the rest of my life

I need to be next to you

A (pause)
Need to be next to you

I can't fight what I feel any more

[Chorus]

A D G Em A

Cause I need to be next to you, oh I, oh I
I need to share every breath of you, oh I, oh I
I need to know I can see you smile each morning
Look into your eyes each night for the rest of my life
Here with you, near with you, oh I
I need to be next to you

[Chorus/Outro]

I need to have your arms next to mine for all the time
Holding for all my life
I need to be next to you
I need to be next to you, oh I, oh I
Need to be, need to be next to you
Share every breath of you
i need to feel you in my arms baby, in my arms baby
i need to be next to you, oh i, oh i
