

**A Little Bit Stronger**  
**Leighton Meester**

**D, Bm, A, E7**

VERSE

**D**

Woke up late today

**Bm**

And I still felt the sting of the pain

**A**

But I brushed my teeth anyway

**E7**

Got dressed through the mess

And put a smile on my face

**Bm**

**E7**

I got a little bit stronger

**D**

Riding in the car to work

**Bm**

And I m trying to ignore the hurt

**A**

So I turned on the radio

**E7**

Stupid song made me think of you

**Bm**

I listened to it for a minute

**Em**

But then I changed it

**D**

And I m getting a little bit stronger

**Bm**

Just a little bit stronger

CHORUS

**G**

I m done hoping that we can work it out

**E7**

I m done with how it feels

Spinning my wheels

**A**

And letting you drag my heart around

**G**

And I m done thinking that you could ever change

**D**

I know my heart will never be the same

**A**

But I m telling myself I ll be okay

**E7**

Even on my weakest days

**D**

I get a little bit stronger

**Bm**

I get a little bit stronger

VERSE

**D**

It doesn t happen overnight

**Bm**

Then you turn around and a months gone by

**A**

And you realize you haven t cried

**E7**

I m not giving you an hour, or a second, or another minute longer

I m busy getting stronger

BRIDGE

**A**

I m better off without you, baby
