

The Way Love Goes

Lemar

Hi! This is my first submission and first time I actually worked out the chords for myself because I desperately wanted to play this. It should be right.

CAPO ON 2nd FRET

A **D**

F#m **D**
Oh whoa oh oh

A
I never thought that I would ever love again

D
I might be wrong cos I can feel it happening

F#m
a little scared but I am not petrified

D
I love forever, I promise to stay by your side

BRIDGE

A
Heart broken, my first and never spoken

D
I waited to hear and I gave it a year

F#m
so i stopped holding on and then you came along

D
and then you came along I m gonna, I m I m I m gonna

CHORUS

A
I ll hold you and love you the best that I can

D
Until you understand that I need you all in

F#m
and I can t dance alone cos the beat s just too slow

D
That s just the way love goes, that s just the way love

A D F#m D
goes (uh uh)

In love again cos that was the only one for me
